

routine painting and staining of more than one unit, except the Association shall not be responsible for the repair and replacement of windows, including locks, knobs, handles and movable parts, frames and glass nor shall the Association be responsible for the repair and replacement of doors, including locks, knobs, handles, movable parts and frames. The Association shall not be responsible for the repair, maintenance and repair of light receptacles and hose bibs outside the unit which serve only one unit. Also, the Association shall not be responsible for painting, staining and caulking around the window or door in the event they are repaired or replaced other than in periodic repair and replacement on more than one unit. In the event that the Board of Directors shall determine that the need for maintenance or repairs by the Association as provided for in this paragraph is caused through the willful or negligent act of a residence owner, his lessee or their family, guests or invitees and not covered or paid for by insurance, the cost of such maintenance or repairs shall be added to and become a part of the assessment to which such residence owner is subject. Maintenance of a residence shall otherwise be the responsibility of the residence owner, which responsibility shall be governed by and shall include but not be limited to the following:

1. Each residence owner shall maintain, repair and replace, at his expense, all portions of the residence, except for items which are the responsibility of the Association as a common expense.

All residence owners shall have the responsibility for the maintenance, repair and replacement, where applicable for the following:

heating and air conditioning units, condensers, refrigerators, stoves, dishwashers, disposals, toilets, sinks, bathtubs, showers, all pipes, and valves within the residence, carpet, floor covering, interior paint, wallpaper, paneling, light fixtures, windows, including locks, handles, movable parts and frames, doors, including locks, knobs, handles, movable parts and frames, cabinets, and any other appliance and fixtures within the unit. All pipes, valves, wires and cuts surrounding a unit are the responsibility of the unit owner if said pipes, valves, wires and ducts service that unit. If they service more than one unit, the responsibility for their maintenance, repair and replacement shall be borne by the Association. Damage caused by wires or by leaks in pipes or valves servicing only the damaged unit shall be the responsibility of the unit owner. Any decks, patios, and fences installed by a unit owner and the fenced in area
