at Heaner Engineering to arrange an on site inspection to insure that you understand where this manhole is located.
Western Carolina Regional Sewer Authority will not give additional rights of ways to other entities or service authorities without your consent, however, in the event the line is sold, conveyed or taken over by another body or agency, Western Carolina Regional Sewer Authority reserves the right to convey this right of way and all pipe lines and appurtenances to the new agency or body.
Timber taken from the permanent and/or temporary right of way shall be cut in pulpwood lengths and left on the right of way. All debris related to the clearing of the right of way shall be removed from the property. The contractor for this project shall be responsible to you by our contract for any damage to trees not on the right of way and you should address any complaints that you have to them. The contractor is:
