

4) It is the intent of this Agreement to insure the proper maintenance of on-site storm water detention facilities by the Landowner; provided, however, that this Agreement shall not be deemed to create or effect any additional liability of any party for damage alleged to result from or be caused by storm water drainage.

5) The Landowner, its executors, administrators, assigns, and other successors in interest, shall indemnify and hold the County and its agents and employees harmless for any and all damages, accidents, casualties, occurrences or claims which might arise or be asserted against the County from the construction, presence, existence or maintenance of the storm water detention facilities by the Landowner.
