15-14-501, CRS 1973. When power of attorney not affected by disability. When a principal designates another his attorney in fact or agent by a power of attorney in writing and the writing contains the words "This power of attorney shall not be affected by disability of the principal", or "This power of attorney shall become effective upon the disability of the principal", or similar words showing the intent of the principal that the authority conferred shall be exercisable notwithstanding his disability, the authority of the attorney in fact or agent is exercisable by him as provided in the power on behalf of the principal notwithstanding later disability or incapacity of the principal at law or later uncertainty as to whether the principal is dead or alive. Any acts done by the attorney in fact or agent pursuant to the power during any period of disability or incompetence or uncertainty as to whether the principal is dead or alive have the same effect and inure to the benefit of and bind the principal or his heirs, devisees, and personal representative as if the principal were alive, competent, and not disabled. If a conservator thereafter is appointed for the principal, the attorney in fact or agent, during the continuance of the appointment, shall account to the conservator rather than the principal. The conservator has the same power the principal would have had if he were not disabled or incompetent, to revoke, suspend, or terminate all or any part of the power of attorney or agency.
