

2. No building or signs or other structures shall be erected, placed or altered on any building plot in this subdivision until the building plans, specifications and plot plan showing the location of such building shall have been approved in writing as to conformity and harmony of external design and materials with existing structures in the subdivision and as to location of the building with respect to topography and finished ground elevation by a committee as designated by the officers of the Del Norte Community Club or by a representative designated by said committee. In the event of the death or resignation of any member of said committee, the remaining members shall have full authority to approve or disapprove such design and location or to designate a representative with like authority. In the event said committee, or its designated representative, fails to approve or disapprove such design and location within thirty days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection of such buildings or the making of such alterations has been commenced within thirty days after completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of said committee, nor their designated representative, will be entitled to any compensation for services performed pursuant to this covenant.

3. No building shall be located nearer to the front lot line or nearer to the side street line than the building setback line shown on the recorded plat. In any event, no building shall be located on any residential plot nearer than twenty (20) feet to any side street line. All residences shall face toward the front of the lot with the exception of the corner lots on which the facing of the residence is indicated by an arrow, as shown on the recorded plat. No building shall be located nearer than ten (10) feet, nor nearer than 10% of the average width of the lot, whichever is greater, to any inside lot line, except detached garages and other outbuildings which shall not be located nearer than seventy-five (75) feet to the front lot line nor nearer than five (5) feet to any side or rear lot line. The building committee designated in Paragraph 2 shall have authority to waive the requirements of this paragraph and of the recorded plat as to the facing of these buildings and as to the side line and setback line requirements.

4. No noxious or offensive trade or activity shall be carried on upon any lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

5. No trailer, basement, tent, shack, garage, barn or other outbuilding erected on the tract shall at any time be used as a residence, temporarily or permanently, nor shall any structure of a temporary character be used as a residence. No fence shall be placed nearer the street than the building line as shown on the plat.
