SATISFACTION OF MORTGAGE

Personally appeared before me G. F. Norris who after being duly sworn, says he is President of the Home Building and Loan Association; that in 1928 the Woodside National Bank of Greenville, S. C., for value received, assigned and transferred unto Home Building and Loan Association, a certain mortgage executed by Phillip E. Levy to Woodside National Bank bearing date June 23, 1925, and recorded June 27, 1925, in Book of Mortgages 156, page 204, said mortgage being in the principal sum of \$3652.24, and covering certain lots on Hudson and Oscar Streets in the City of Greenville; that said mortgage was paid in full by Pauline Epstin, the present owner of the property, on the 6th day of July, 1939, and said mortgage was duly marked "Paid" and delivered to Mr. Phillip E. Levy; that said mortgage had never been sold, transferred or hypothecated by the Home Building and Loan Association, and said Home Building and Loan Association was sole owner of said mortgage, and as such was authorized to cancel the same of record. The Home Building and Loan Association does hereby acknowledge payment of the above referred to mortgage in full, and does hereby empower Ollie Farnsworth as Register of Mesne Conveyances to enter satisfaction of the same upon the records in her office.

IN WITNESS WHEREOF Home Building and Loan Association does hereunto set its hand and seal this 12th day of July, 1939,

I, Ben C. Thornton, as the duly appointed and qualified Receiver of the Woodside National Bank of Greenville, have no interest in the above referred to mortgage, and join in the satisfaction of the same.

Personally appeared before me Phillip E. Levy, who after being duly sworn says that on or about July 7th, 1939, the original note and mortgage referred to in the above satisfaction, was delivered to deponent and marked "Paid". That deponent not thinking that it was necessary to carry the same to the R. M. C. Office for the purpose of having same satisfied of record, and knowing that the same had no value, destroyed the mortgage and it is now impossible to locate or produce the original paper, the same having been destroyed by deponent.
