

To Have AND TO Hold, all and singular this said property unto the Mortgagor, its successors and assigns forever.

The Mortgagor covenants that he is lawfully seized of the premises hereinabove described in fee simple absolute (or such other estate, if any, as is stated hereinbefore), that he has full right and lawful authority to sell, convey, or encumber the same, and that the premises are free and clear of all debt and encumbrance whatsoever except as herein otherwise recited. The Mortgagor further certifies in writing and forever disclaims all and singular the premises as herein conveyed, unto the Mortgagor himself and against the Mortgagor and all persons whatsoever lawfully claiming the same or any part thereof.

The Mortgagor covenants and agrees as follows:

1. He will promptly pay the principal of and interest, at the maturities evidenced by the said note, at the time and in the manner therein provided. Privilege is reserved by party to pay more without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less.

2. Together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, he will pay to the Mortgagor as aforesaid, the sum of \$100.00 (one hundred dollars) (hereinafter stated) on the first day of each month until the said sum is fully paid.

(a) A sum equal to the ground rent, if any, next due, plus the premium that will now become due and payable on policies of fire and other hazard insuring the mortgaged property, plus taxes and assessments next due on the mortgaged property (all as estimated by the Mortgagor, and of which the Mortgagor is notified) less all sums already paid thereon (unless by the number of months so elapsed before one month prior to the date when such ground rent, premium, taxes and assessments will become delinquent, such sums to be held by Mortgagor in trust to pay said ground rent, premium, taxes and special assessments).

(b) The aggregate of the amounts payable pursuant to subparagraph (a) and taxes payable on the acres reported hereby, shall be paid in a single payment each month, or as required to the following items in the order stated:

- (i) taxes, special assessments, fees and other hazard insurance premiums;
- (ii) interest on the note secured hereby; and
- (iii) amortization of the principal of and note.

Any deficiency in the amount of such amounts monthly payable, shall, unless paid and by the Mortgagor prior to the due date of the next monthly payment, accumulate as a default under this mortgage. At Mortgagor's option, Mortgagor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof, to cover the extra expense involved in handling subsequent payments, but such "late charge" shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured thereby.

3. If the total of the payments made by the Mortgagor under (b) of paragraph 2 preceding shall exceed the amount of payments actually made by the Mortgagor as rental for taxes or assessments or insurance premiums as the case may be, such excess shall be credited against future payments to the credit of the Mortgagor for such items or, at the option of Mortgagor as trustee, may be retained by the Mortgagor. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagor as trustee any amount necessary to make up the deficiency. Such payment will be made within thirty (30) days after written notice from the Mortgagor stating the amount of the deficiency, which notice may be given by mail. If at any time the Mortgagor shall tender to the Mortgagor, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, the Mortgagor as trustee shall, in computing the amount of such indebtedness, credit to the account of the Mortgagor any credit balance remaining under the provisions of (a) of paragraph 2 hereof. If there shall be a default under any of the provisions of this mortgage, resulting in a partial sale of the premise covered
