

RIDER

NOTICE: THE SECURITY INSTRUMENT SECURES A NOTE WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE. INCREASES IN THE INTEREST RATE WILL RESULT IN HIGHER PAYMENTS. DECREASES IN THE INTEREST RATE WILL RESULT IN LOWER PAYMENTS.

This Rider is made this 27th day of May, 1981, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Deed to Secure Debt (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Note to Perpetual Federal Savings and Loan Association (the "Lender") of the same date (the "Note") and covering the property described in the Security Instrument and located at Unit 16-D, Tanager Circle, Sugar Creek Villas, Greer, SC 29651. Property Address

Modifications. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note has an "Initial Interest Rate" of 15.50%. The Note interest rate may be increased or decreased on each Change Date, as described in the Note. Changes in the interest rate are governed by changes in the "Contract Interest Rate, Purchase of Previously Occupied Homes, National Average for all Major Types of Lenders" made available by the Federal Home Loan Bank Board (the "Index"). The interest rate cannot be changed to more than 5.0 percentage points higher or lower than the Initial Interest Rate.

If the interest rate changes, the amount of Borrower's monthly payments will change as provided in the Note. Increases in the interest rate will result in higher payments. Decreases in the interest rate will result in lower payments.

B. LOAN CHARGES

It could be that the loan secured by the Security Instrument is subject to a law which sets maximum loan charges and that law is interpreted so that the interest or other loan charges collected or to be collected in connection with the loan would exceed permitted limits. If this is the case, then: (A) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (B) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower.

C. TRANSFER OF THE PROPERTY

If there is a transfer of the Property subject to paragraph 17 of the Security Instrument, Lender may require either an increase in the current Note interest rate or an increase in the Base Index figure, or both, as a condition of Lender waiving the option to accelerate provided in paragraph 17.

By signing this, Borrower agrees to all of the above.

Donald G. Porter (Seal) - Borrower
June M. Porter (Seal) - Borrower
