

Plat of Dudley Geter's Land. Tract # 2, and shows that this tract is in two parts, (49) forty-nine acres in one and ($\frac{1}{2}$) one-half in the other; and makes ($49\frac{1}{2}$) forty-nine and one-half acres in tract. At the request of J.A. Talley, Chairman of the Commissioners which was appointed by the Court to have the land of Dudley Geter, Surveyed, I have gone on said land and made a survey of same, and this plat is a proof of same land.

Surveyed by B.G. Langford March 6th, 1917.

Recorded May 12th, 1917.
