

National Scenic Byway Day Events Information
Greenville County Long Range Planning will host back-to-back events on Tuesday, September 22 at Pleasant Ridge Park in the Luttrell Lodge. Specifically: a volunteer litter cleanup from 3:00-4:30 PM, followed by a public workshop from 4:30-6:00 PM.

Location
4232 Hwy 11, Marietta, SC 29661

Directions
From the entrance on Highway 11, marked by a stone monument sign, follow Pleasant Ridge County Park Rd for about three-quarters of a mile, passing a parking area and a lake on the right. As you go around a bend, look for another stone monument sign on the left: turn there. Keep going straight. You will eventually see a sign that says “Welcome to Camp Spearhead.” Parking areas are on either side of the drive aisle.

Parking
Parking areas are on either side of the drive aisle. Accessible parking is available in front of Luttrell Lodge. Additionally, there is a covered drop-off area in front of the building.

Entrance
Enter the building on the far right side, opposite of the parking areas, near the Camp Office and covered drop-off area.

Restrooms
From the building entrance, restrooms are immediately to the left.

Contact
If you or anyone you know need accommodations, please contact the project manager, Austin Lovelace, by e-mail at alovelace@greenvillecounty.org, or by phone at 864-467-7278.

Directions to Luttrell Lodge from Highway 11

From the entrance on Highway 11, marked by a stone monument sign (image 1), follow Pleasant Ridge County Park Rd for about three-quarters of a mile, passing a parking area and a lake on the right. As you go around a bend, look for another stone monument sign on the left (image 2): turn there. Keep going straight. You will eventually see a sign that says “Welcome to Camp Spearhead” (image 3). Parking areas are on either side of the drive aisle. Additionally, there is a covered drop-off area in front of the building (image 4). Entrance Enter the building on the far right side, opposite of the parking areas, near the Camp Office and covered drop-off area (image 5).
