NOTICE TO VENDORS:

The following revisions, additions, and clarifications are hereby made part of the Contract Documents for the above-referenced project and shall be taken into account in the preparation of all proposals and the execution of all work. Responders shall acknowledge receipt of the Questions and Answers in their bid.

The following questions were submitted for Indefinite Delivery Contract for Architectural & Engineering Services, RFQ #27-02/27/20:

Q1. Is the County interested in obtaining Qualifications from sources capable of providing roadway and/or bridge design, or is the RFQ for building-related services only?

A1. The County will accept Qualifications from sources capable of providing roadway and/or bridge design projects, such as: small drainage, bridge/ culvert, intersection improvements, traffic signal designs, etc.

Q2. Is the County seeking submittals from teams that cover all requested disciplines, or can firms submit Qualifications for a single discipline?

A2. See Addendum #1.

Q3. Is the County seeking submittals from firms that cover the following design and consulting services: Building Envelope Consulting, Pavement Assessment/Consulting, Building Commissioning, Roof and Building Envelope Design Services, Construction Administration and/or Failure Investigations/Repairs?

A3. Yes, the County will accept Qualifications from firms that offer the services outlined above.

Q4. Can a surveying firm send in an RFQ for on-call (as-needed) surveying services only?

A4. Yes.

Q5. The solicitation states that the County will utilize the IDC Contract for project that does not exceed $35,000.00; is that the maximum for one firm for one year, with none of these cost paying for engineers?

A5. The $35,000.00 maximum applies to a single project.
Q6. Is a Standard Form 330 or 254 required as a part of this RFQ?
A6. No.

Q7. Are Engineering Firms required to form a partnership with an Architectural Firm, in order to respond to the RFQ?
A7. No. See Addendum #1.
