The Chairman shall preside at all meetings of the Council. A member may only serve as Chairman for a maximum of two consecutive terms; but will be eligible to be elected Chairman again after having been out of the office of Chairman for at least two years. With the County Administrator, they shall, on behalf of the Council, execute all ordinances, resolutions, directives, deeds, bonds, contracts, and other official instruments or documents unless execution is otherwise directed by ordinance or other Council action. The Chairman at his discretion may designate the Vice-Chairman to execute the above documents. The Chairman shall also have such other duties and perform such other functions as these rules specifically set forth or as the Council specifically directs. If the office of Chairman is vacated, the Vice-Chairman will serve as Chair for the remainder of the current term. Council, at its next meeting following the occurrence of the vacancy, shall choose one of its members to serve as Vice-Chairman.

#### **(B) Vice-Chairman**

At its first meeting in January following each general election, the Council shall select one of its members to serve as Vice-Chairman for a term of two years. A member may only serve as Vice-Chairman for a maximum of two consecutive terms; but will be eligible to be elected Vice-Chairman again after having been out of the office of vice-chairman for at least two years. The Vice-Chairman shall preside at meetings of the Council when the Chairman is absent or unable to preside.

**(C) Chairman Pro Tempore**

If at any time both the Chairman and the Vice-Chairman are absent or vacancies exist in both offices, the Council member with the most years of uninterrupted service on the Council shall serve temporarily as Chairman until a new Chairman can be elected or until the existing Chairman (or Vice Chairman) is able to resume his duties.

**(D) Election Procedure**

When three or more candidates are nominated for the position of Chairman or Vice-Chairman, once a vote is held that produces two candidates who have received the most votes, then only those two top candidates shall stand for election on the next ballot. No additional nominations may be made on the next ballot between the top two candidates. However, in the event three or more candidates are nominated on the first ballot and one candidate receives seven or more votes, there is no further voting and the candidate receiving seven or more votes is elected.

**SECTION II. EMPLOYEES OF COUNCIL**

**(A) County Administrator**

As provided by Section 4-9-620 of the Code of Laws of South Carolina, 1976, as amended, ("S.C. Code Ann.") the Council shall employ a person who is not a member of Council as the County Administrator. Section 4-9-630 *et seq.* The County Administrator shall serve at the pleasure of the Council.

**(B) Clerk to Council**

As provided by S.C. Code Ann. Section 4-9-110, the Council shall employ a person who is not a member of Council to serve as Clerk. The County Attorney shall perform such legal and related tasks as the Council may direct. The County Attorney shall serve at the pleasure of the Council.

**(D) Other County Employees**

Except for the three (3) employees referred to in this section, the Council employs no other person. Except for the purposes of investigations, as authorized by the Council, Council members shall deal with County Officers and employees solely through the County Administrator. Neither the Council nor its members shall give orders or instructions to any such officer or employee. This rule shall not prevent direct contact with officers or employees when the request is related to information that would be in reference to investigations or inquiries where obtaining information directly from departments would be required for their oversight functions. Nothing herein shall prevent the Council from contracting from time to time with such other persons as it deems appropriate.

**(E) Employment and Discharge of Council Employees**

A majority vote of the Members of Council is required to hire the three (3) Council employees referred to in this Section (County Administrator, Clerk to Council, and/or County Attorney). For a termination of one or all of the same Council employee(s), a majority vote of the Members of Council is required whether for cause or not.

**SECTION III. MEETINGS OF THE COUNCIL**

**(A) Meetings**

The Council shall ordinarily hold its regular meetings for the transaction of official business on the first and third Tuesdays of each month at such time and place as the Chairman may specify. Either the Chairman or a majority of the members of the Council may call special meetings, which may be held after twenty-four hours public notice, which specifies the hour, date, and place of the special meeting and its agenda. No item may be considered at the special

meeting unless it appears on this agenda. All meetings of the Council will be held in-person with members able to participate by remote means as required. If a member is participating remotely, that member shall be able to be visually seen and heard at the discretion of the Chairman.

**(B) Notice to Members**

(1) All members of Council should be furnished copies of all requests requiring Council action in their Agenda Packet for upcoming meetings and workshops, including motions to reconsider. This notice shall include complete copies of each proposal to be considered. Copies of proposed ordinances at second and third readings shall appear as amended at any previous readings. This notice requirement shall not apply to items presented to the Council by standing Council committees as long as those items appear on the published agenda of the committee for the meeting at which the committee voted on the item presented. Items to appear for consideration must have been reviewed by the County Attorney's office pursuant to Section IV(a) of this document and be received in final form by the Clerk to Council no later than 12:00 P.M. on Thursday to be included in the Agenda Packet. Emergency items and corrections may be added or made to an agenda after the Thursday deadline with the Chairman's approval.

(2) Once an agenda for a regular, called, special, or rescheduled meeting is posted pursuant to this subsection, no items may be added to the agenda without an additional twenty-four hour notice to the public, which must be made in the same manner as the original posting. After the meeting begins, an item upon which action can be taken only may be added to the agenda by a two-thirds vote of the members present and voting; however, if the item is one upon which final action can be taken at the meeting or if the item is one in which there has not been and will not be an opportunity for public comment with prior public notice given in accordance with this section, it only may be added to the agenda by a two-thirds vote of the members present and voting and upon a finding by the body that an emergency or an exigent circumstance exists if the item is not added to the agenda.

**(C) Quorum**

Seven (7) members of Council shall constitute a quorum for the transaction of business.

**(D) Conduct of Meetings**

- (1) Recognition of a Member:** Before making a motion or addressing the Council, a member must first address the presiding officer by saying, "Mr. (or "Madam") Chairman," and be recognized. When addressed by a member, the Chairman shall name the member by using the appropriate title, "Mr., Mrs., or Miss."
- (2) Decorum in Speaking:** When speaking, no Council member may indulge in personalities, use personally offensive language, arraign the motives of other Council members, charge deliberate misrepresentation, or use language tending to hold the Council or a member of the Council in contempt. The members shall confine themselves to the question under consideration.
- (3) Decisions of the Chair:** All questions of order shall be determined by the Chairman without debate. Any member may appeal to the Council regarding the decision of the Chairman. The motion to appeal is debatable. The Chairman, in their discretion, may require and allow time for any member to reduce a motion to writing and read it before debate begins.
- (4) Debate:** All motions except motions to adjourn, to recess, to close debate and to lay on the table, shall be debatable. No debate on a motion shall begin until the Chairman has stated that motion for debate; considering this, the Chairman must allow any member to speak on any motion if they so desire to do so. Each member shall have a maximum of five (5) minutes to speak on the motion under debate, with additional time given by the Chairman at his discretion.
- (5) Interruption of Debate:** When a question is under debate, the Chairman may entertain no motions other than those to adjourn or recess, to lay on the table, to close debate, to postpone, to commit or recommit, and to amend.

- (6) **Votes:** Any vote on a question where the result is not unanimous will require a Roll Call Vote.
- (7) **Roll Call Votes:** All roll call votes shall be recorded and displayed electronically in the chamber immediately following a two (2) minute consideration period. If because of unforeseen circumstances the electronic means of recording is not functional, the Clerk shall call the roll and enter in the minutes the names of each member and whether that member voted in favor of the question or against it. The results shall be posted with the minutes for public review on the County website. If manual recording is required, the roll will be a rolling start with the lowest number district being first, and then for the next roll call vote the next highest district in numerical order being first and so on, and then repeating as required.
- (8) **Recording of Votes:** Votes of members shall be recorded for all questions. A member may have their vote recorded on any motion.
- (9) **Required Abstentions:**
- (a) Any member of the Council who has a substantial interest in any business that contracts with the County for the sale or lease of land, materials, supplies, equipment, or services, or who personally engages in such matters shall make known that interest and refrain from voting upon or otherwise participating as a member of Council in matters relating thereto.
  - (b) All Council members affected by any other County Ordinance or by State Law relating to this matter shall also recuse themselves and abstain from any involvement with the matter under consideration as required by the ordinance or State Law.
- (10) **Motions to Reconsider:** When a question has been decided, any member who has newly acquired information may at the same meeting of the Council, or at the

next consecutive regular meeting of the Council, move for reconsideration. If the Council shall refuse to consider by a three-fourths vote, or upon reconsideration, shall affirm its initial decision, the motion shall not be in order for a period of one year, except by a three-fourths vote of those members present and voting. For all meetings after the meeting at which a question was decided, 24-hour notice must be given of a Council member's intent to move for reconsideration.

- (11) **Council Requests:** With consideration of S.C. Code Ann. Section 4-9-660 and Section II (D) above, without the approval of a majority of the Council, no Council member may make a request of a County employee if fulfilling the request would require more than a *de minimis* expenditure of County funds or require more than a reasonable amount of any County employee's time. If a Council member wishes to make a request contrary to this rule their request must go through the Council and the County Administrator. This request is not required to be listed as an agenda item listed for a meeting or made during a meeting of the Council, and may be conducted either verbally or through written communication (i.e. e-mail) so as to provide a record of the request.
- (12) **Parliamentary Procedure not specified in these Rules:** In all particulars not specifically set forth in these rules or by Acts of the South Carolina General Assembly describing rules or procedures to be guided by the County Council, the presiding officer shall be guided by the most recent edition of *Mason's Manual of Legislative Procedure*.

**(E) Requests to be Heard**

- (1) For thirty (30) minutes prior to each regularly scheduled Council meeting, members of the public wishing to address the Council on a matter on the agenda will have an opportunity to register to speak. Prior to Council's consideration of any item of business listed on the agenda, members of the public registered to speak will speak in the order in which they registered. Presentations shall be

limited to three (3) minutes per person, not to exceed a thirty-minute period. Items appearing on the agenda that have not come through a committee are not eligible for requests to be heard under this subsection with the exception of emergency ordinances. The Chairman, at their discretion or by request of a member, may allow additional opportunities for presentations by the public and from those who were unable to sign up during the 30 (thirty) minute period before the meeting; and the above (3) three minute time limit will apply.

- (2) For thirty (30) minutes at the conclusion of each regularly scheduled Council meeting, members of the public, who have registered to do so during the registration period before the meeting, shall have the opportunity to address the Council on any matter under the purview of the Council or at the discretion of the Chairman. A majority of Council members present may vote to extend the time period for presentations at a public input session. The sessions will be held in-person with Council members able to participate by remote means and live-streamed to the public.

- (4) No speaker may use language that is obscene, disruptive, scurrilous, or recklessly defamatory. Following any presentation from anyone addressing the Council, no person other than a member of Council will be recognized to question the speaker or to make any other statement unless a member of Council requests comment from a member of the staff for clarification.

**(F) Matters Outside the Council's Jurisdiction**

No matter shall be entered on the agenda or be heard by Council unless it is within Council's authority or jurisdiction, except that the Council may entertain resolutions and consider requests that it make recommendations to other governmental bodies, departments, or agencies.

If the Council agrees to the introduction of an amendment on third reading, it will be considered at the next regularly scheduled meeting, and its passage shall be governed by the provisions of Subsection (4) below. Amendments permitted at third reading must strictly pertain to the subject matter of the ordinance as it was passed at second reading.
  - (b) The Council can approve a motion at second reading amending the ordinance to allow for the introduction of amendments at third reading.
