

Our Impact *At-A-Glance*

Greenville Financial Empowerment Centers work to improve residents' economic mobility by working one-on-one with individuals and families to build their credit scores, manage and reduce their debt, increase their savings, and provide access to safe and affordable banking products.

Total Clients Served:

440

Total Sessions Held:

964

Total Savings:

\$79,046

Total Debt Reduced:

\$36,142

Why Financial Counseling?

Data from Feb. 1, 2019-Sept. 30, 2019

One-on-one financial counseling allows individuals and families to get direct assistance with their specific financial circumstances. In the world of finances, there is no one-size fits all policy, and each client is treated as an individual and receives a personalized financial plan focused on their own goals.

Annual Household Income of Clients
